SUMMER SESSION at MAPLE VIEW

LEARN AND EXPLORE:

Summer Session offers an opportunity for **beginner students 6-12 years old** to learn horsemanship and farm skills through games and activities. Students will be divided into small groups for mounted and unmounted lessons on how to tack up a horse; name the parts of the horse, saddle and bridle; daily care for all of the farm animals. Maple View Farm is focused on safety, maintaining a low counselor to student ratio during mounted activities. Walk trails, ride horses, feed animals, play games, make friends, Summer Session offers an opportunity for students to learn at every turn. **Pre-school aged children** will learn similar skills in a separate group. A short, instructive, ride on one of our ponies will be included in their lessons.
